PARENTS & FRIENDS' ASSOCIATION

Hello School Community,

It's official - pizza orders are now open for the lunch on Tuesday 12th of September.

You can order your child's/children lunch via this link. <https://compasstix.com/e/s8i3hledf3>. We have included a vegan/gluten free option this time.

A reminder that our next Hang Around School Friday is next week on 18th August.

All funds raised from this event will be going towards purchasing the Senior School games/activities to be enjoyed in class.

We look forward to seeing you at the assembly on 18th August to launch our School Fun Run and provide parents/guardians with further information about the biggest event on the calendar!

The next PFA Meeting is 9.05 am on Friday 11th August in the Staffroom.
Thank you for following along.

Warmest regards,
Zayna and the PFA team

8.15am – 8.40am in the STEAM room

Students come along for a yummy start to the day

WOOF FOR STORY DOGS!

We have had our first Story Dog visit to our school recently. Mrs Lorraine Wollmer, our former Library Teacher has begun bringing her dog Nala to listen to students read. In order to support future dog-training for this voluntary initiative, one of the stipulations of having the program operate in a school is that the school hold a fund-raising day each year.

This year we are having a Woof for Story Dogs day on Friday 8th September. On this day students and teachers are encouraged to come dressed in orange or in any manner that relates to our canine companions for a gold coin donation.

We are also allowing families to bring their puppies along to school at drop-off and pick-up times on that day on the following conditions:

- All dogs must on on-leash at all times and doggy-droppings are picked up
- If you are in any way concerned about your dog behaving inappropriately towards other people or dogs, do not bring it
- If your child is afraid of dogs, please organise a possible late arrival/early pick-up with your child's classroom teacher for that day
- Dogs are not permitted in classrooms or on the decks outside the Villages

PLEASE SEND A REUSABLE BAG AND MONEY TO
SCHOOL WITH YOUR CHILD/CHILDREN

Dear Parents, Students and Friends,

Whilst Compass is an amazing platform for school management, it is also a rather expensive exercise. One area in which we can reduce costs is in that of school communications. As of next week, when Newsfeeds are sent out, unless they are urgent in nature, they will be sent as an email only, without the push notification that we have included in the past. This will save the school a decent amount of money each year.

In urgent or emergency situations, correspondence will also include a push notification to mobile devices, so please ensure that you have notifications enabled in your Compass app on your device's settings.

I also implore parents to regularly check your emails and Compass app to make sure that you do not miss any important events or dates, especially for payments.

Nearly all school activities/events that are posted on Compass, and require parent consent and/or payment, are curriculum enhancements or PFA fundraisers. This means that they are 'opt-in' events and parents can choose whether or not their children will take part. Obviously, if it is an event that is curriculum-related, we would hope that all families will consent and pay (if payment is required). If the event is a fundraiser, once again we would like all students or families to take part and contribute. However, it is understandable that this will not always be the case.

Some reasons for students not taking place in a curriculum-related event could be

- Parents would prefer that their child not take part
- The student may be absent from school that day because of an appointment or family holiday
- Financial reasons – if this is the case, please contact the school office as there may be a CSEF balance that could be used to cover the event. There are some families that have CSEF funds available, but are continuing to pay separately for events

We ask that if parents know that their children will not be attending an event/activity, to please 'Decline' the event on Compass. This saves teachers or office staff having to follow-up to see whether it has been an oversight.

Teachers will regularly remind students of upcoming events and cut-off dates, so that hopefully they will keep pestering their parents about consent/payment. However, it is the parents' responsibility to ensure that they are up-to-date with school events.

2023 PARENT/CAREGIVER/GUARDIAN OPINION SURVEY

The PCGO Survey is open to all parents to complete until Friday 8th September 2023. A newsfeed with the information and a link to the survey was sent out on Monday morning.

From memory, last year we had just under 40% of our families complete the survey and we are hoping that this year we have over 50%. As of 8.00 am this morning, we have had 25 families complete the survey which is 6%.

Remember that only one parent/caregiver is to complete the survey from each family.

A REQUEST FROM OUR CROSSING SUPERVISOR IN CARRINGTON ROAD

This is for all students and families who use the supervised crossings in Carrington and Gilbert Roads – please do not ride your bikes or scoot across the road – please walk them.

STAFF CAR-PARKS

As mentioned frequently in school correspondence, we ask that parents do not use the school car-parks for parking or use the car-park gates to walk in and out of the school. There are pedestrian gates near each of the car-parks. Please use them. TheirCare parents are also asked not to use the smaller staff car-park for drop-offs and pick-ups.

STAFF AND FAMILY OPENING OF MORTON WING

Last Friday evening we held an informal opening of the newly-named Morton Wing. There were about sixty or seventy people in attendance, including current and former staff and members of Wes's family.

For those families who were not at our school last year, we sadly lost one of our longer-serving teachers, who passed away while he was overseas on leave. Wes had undertaken many roles during his time at Reservoir West, including classroom teacher, Art teacher and Music teacher.

The photo above shows Wes's brother, Ian, cutting the ceremonial ribbon to 'open' the building.

PRINCIPALS' DAY

Last Friday was Australian Principals' Day and Jen, Barb and I were lucky to be treated to a special morning tea and I was also the recipient of a few pressies, which was lovely and much-appreciated.

Nina and Elise, our School Captains presented me with a bag of chocolates, a lovely hand-made card and performed the Principal's Rap for me. If you'd like to have a look at the rap – check it out at the link below. As Friday was Jen's last day before her family leave commenced, Julia Abdel-Nour is our current Acting Assistant Principal.

NATIONAL ABORIGINAL AND TORRES STRAIT ISLANDER CHILDREN'S DAY

Last Friday, 4th August, RWPS celebrated National Aboriginal and Torres Strait Islander Children's Day.

Through various activities and class conversations, students explored the importance of culture, family and community in the life of every Aboriginal and Torres Strait Islander child.

Here are some photos of the fabulous celebrations that took place on the day.

HOOP TIME

On Friday, the 4th of August, our Year 3/4 boys' and girls' basketball teams headed to Reservoir High School to compete in the Hoop Time Competition.

The girls played some fabulous basketball, there were some exciting plays in their last game with some awesome layups. With 2 wins under their belt and some fabulous coaching from Miss Jeffress, they should be very proud. Although they didn't make the finals this time, they played hard all day. Great job girls.

The boys did exceptionally well throughout the day, although they had some close losses, still qualified for the finals. In the finals, the boys went up a gear and won their first final game against an exceptional team in St Rafs to take on Preston PS in the Grand Final. The boys played hard and fast in an intense match. But unfortunately were defeated by a mere 4 points. They put up a huge fight, showed great support to each other and worked hard all day. We are so proud of you all, holding your heads high in a tough loss!

A huge congratulations to all our boys and girls! It was a great day, both our teams showing great respect to each other and the teams you came up against.

Thank you to Miss Jeffress for coaching and Amanda for assisting! We also want to shout out to all the wonderful parents who came to support the teams on the day!

Thank you Arlia for getting this organised for us.

A great effort all round.
