

RESERVOIR WEST PRIMARY SCHOOL

ATTENDANCE POLICY 2022

PURPOSE

The purpose of this policy is not only to ensure that Reservoir West Primary School adheres to the Department of Education's guidelines regarding attendance, but to outline the key procedures, practices and expectations regarding attendance at the school. This includes:

- ensuring all children enrolled at the school attend school every day the school is open for instruction
- ensuring students, staff and parents/carers have a shared understanding of the importance of attending school
- explaining to school staff and parents/carers the key practices and procedures the school has in place to
 - support, monitor and maintain student attendance
 - record, monitor and follow up student absences

SCOPE

Daily attendance is important for all children to succeed in education and to ensure they do not fall behind both socially and developmentally. School participation maximises life opportunities for children and young people by providing them with education and support networks. School helps people to develop important skills, knowledge and values that set them up for further learning and participation in their community.

This policy applies to all families at the school.

This policy should be read in conjunction with the Department of Education and Training's [School Attendance Guidelines](#). It does not replace or change the obligations of the school, parents/carers and School Attendance Officers under legislation or the School Attendance Guidelines.

DEFINITION

Parent/Carer – includes a guardian and every person who has parental responsibility for the child, including parental responsibility under the *Family Law Act 1975* of the commonwealth and any person with whom a child normally or regularly resides.

POLICY

Schooling is compulsory for children and young people aged from 6 to 17 years unless an exemption from attendance or enrolment has been granted. Students are expected to attend the school during normal school hours every day of each term unless:

- there is an approved exemption from school attendance for the student
- the student has a dual enrolment with another school and has only a partial enrolment in Reservoir West Primary School or
- the student is registered for home schooling and has only a partial enrolment in Reservoir West Primary School for particular activities

The school believes all students should attend school all day, every day when the school is open for instruction and is committed to working with its school community to encourage and support full school attendance. Both the school and parents/carers have an important role to play in supporting students to attend school every day.

Our school will identify individual students or cohorts who are vulnerable and whose attendance is at risk and/or declining and will work with these students and their parents/carers to improve their attendance through a range of interventions and supports.

Both schools and parents have an important role to play in supporting students to attend school every day;

- students must be committed to attending school every day, arriving on time and are prepared to learn. Our students are encouraged approach a teacher and seek assistance if there are any issues that are affecting their attendance.
- parents must be committed to ensuring their child/children attend school on time every day when instruction is offered, to communicating openly with the school and providing valid explanations for any absence.
- Parents/Carers are expected to communicate with the relevant staff at the school about any issues affecting their child's attendance and work in partnership with the school to address any concerns.
- Parents/Carers must provide a reasonable explanation for their child's absence from school and endeavour to schedule family holidays, appointments and other activities outside of school hours.

Supporting and promoting attendance

The school will provide active support (including targeted responses and effective intervention strategies) for full student attendance and retention and will respond to individual student circumstances when regular attendance is not consistent.

The school promotes student attendance by:

- providing recognition for high attending students
- following up on unapproved non-attenders by communicating to Parents/Carers in a timely manner
- publishing newsletter articles outlining the importance of school attendance
- articulating high expectations to all members of the school community by:
- regularly communicating with Parents/Carers about expectations for attendance
- promoting awareness that absence results in quantifiable lost learning time and opportunities
- modelling punctuality across the whole school
- creating a safe, supportive learning environment where all students experience success through active participation and engagement in purposeful learning

Recording attendance

The school records student attendance twice daily on Compass. This is necessary to:

- meet legislative requirements
- discharge the school's duty of care for all students

If students are in attendance at a school approved activity, the teacher in charge of the activity will record them as being present.

Recording absences

For absences where there is no exemption in place, a parent/carer must provide an explanation on each occasion to the school, preferably between 8.30 am and 9.00 am.

Parents/Carers should notify the school of absences by:

- entering it into Compass if it is a whole day absence
- entering it into Compass Kiosk when arriving late to school or departing early
- contacting the school office via phone

If a student is absent on a particular day and the school has not been previously notified by a parent/carer, or the absence is otherwise unexplained, the school will notify parents by SMS by 10:30 am on the day of the absence, requesting notification.

The school will keep a record of the reason given for each absence. The Principal will determine if the explanation provided is a reasonable excuse for the purposes of the parent/carer meeting their responsibilities under the *Education Training Reform Act 2006* and the School Attendance Guidelines.

If the school considers that the parent/carer has provided a reasonable excuse for their child's absence the absence will be marked as 'Explained' and the reason given is recorded.

If the school determines that the excuse provided is not reasonable the absence will be marked as '*Parent Choice Unauthorised*'.

The Principal has the discretion to accept a valid reason given by a parent/carer for a student's absence.

The Principal generally will excuse:

- illness
- medical and dental appointments, where out of hours appointments are not possible or appropriate
- bereavement or attendance at the funeral of a relative or friend of the student, including a student required to attend Sorry Business
- school refusal, if a plan is in place with the parent/carer to address causes and support the student's return to school
- cultural observance if the parent/carer notifies the school in advance
- family holidays where the parent/carer notifies the school in advance

If no explanation is provided by the parent/carer within 10 school days of an absence, it will remain recorded as 'Unexplained' on the student's file.

Parents/carers will be notified if an absence has not been accepted as excused.

Managing non-attendance and supporting student engagement

Where absences are of concern due to their nature or frequency, or where a student has been absent for more than five days, the school will work collaboratively with parents/carers, the student, and other professionals, where appropriate, to develop strategies to improve attendance, possibly including:

- establishing an Attendance Student Support Group
- implementing a Return to School Plan
- implementing an Individual Education Plan
- implementing a Student Absence Learning Plan for students who will be absent for an extended period
- arranging for assistance from relevant student wellbeing staff in the school.

We understand from time to time that some students will need additional support and assistance, and in collaboration with the student and their family, will endeavour to provide this support when it is required.

Referral to School Attendance Officer

If our Welfare Officers decide that they have exhausted strategies for addressing a student's unsatisfactory attendance, they may, in accordance with the School Attendance Guidelines refer the non-attendance to a School Attendance Officer in the NWV Regional Office for further action.

If, from multiple attempts to contact with a parent, it becomes apparent that a student will not be returning to the school, the Principal may make a referral to a School Attendance Officer if:

- the student has been absent from school on at least five full days in the previous 12 months where:
 - the parent has not provided a reasonable excuse for these absences; and
 - measures to improve the student's attendance have been undertaken and have been unsuccessful
- the student's whereabouts are unknown and:
 - the student has been absent for 10 consecutive school days; or
 - no alternative education destination can be found for the student.

COMMUNICATION

This policy will be communicated to our school community in the following ways:

- Included in staff induction processes and staff training
- Available publicly on our school's website and Compass under School Documentation
- Discussed at staff briefings/meetings as required
- Discussed at parent information nights/sessions
- Reminders in our school newsletter
- Hard copy available from school administration upon request
