## **Inclusion and diversity**

Reservoir West Primary School strives to provide a safe, inclusive and supportive school environment which values the human rights of all students and staff. Reservoir West Primary School is a multicultural community with a broad range of political, cultural and religious viewpoints and beliefs. Our school is enriched by, and celebrates, the diversity of our whole school community.

Reservoir West Primary School is committed to creating a school community where all members of our school community are welcomed, accepted and treated equitably and with respect regardless of their backgrounds or personal attributes such as race, language, religious beliefs, gender identity, disability or sexual orientation so that they can participate, achieve and thrive at school.

Reservoir West Primary School acknowledges and celebrates the diversity of backgrounds and experiences in our school community and we will not tolerate behaviours, language or practices that label, stereotype or demean others. At Reservoir West Primary School we value the human rights of every student and we take our obligations under anti-discrimination laws and the Charter of Human Rights and Responsibilities seriously.

Reservoir West Primary School will:

- Actively nurture and promote a culture where everyone is treated with respect and dignity
- ensure that students are not discriminated against (directly or indirectly) and where necessary, are reasonably accommodated to participate in their education and school activities (eg schools sports, concerts, camps and excursions etc) on the same basis as their peers
- acknowledge and respond to the diverse needs, identities and strengths of all students
- encourage empathy and fairness towards others
- challenge stereotypes that promote prejudicial and biased behaviours and practices
- contribute to positive learning, engagement and wellbeing outcomes for students
- respond to complaints and allegations appropriately and ensure that students are not victimised.

Reservoir West Primary School is pro-active in ensuring student and staff wellbeing remains a priority in our community. Significant investments include:

- Establishment of fulltime Wellbeing and Engagement Leaders
- Investment in and ongoing commitment to training and delivery of whole school Respectful Relationships Program
- Investment in and ongoing commitment to training and delivery of whole school 'Talking The Talk' Sexuality Program
- Ongoing commitment and prioritisation of restorative practices as opposed to punitive consequences
  - Offer opportunities for students who have caused harm to understand the source of their behaviour, take accountability for their choices and learn from the experience. Moving away from stigmatising and shaming students who have caused harm.
- Engagement with external services and facilitating where practical the availability of onsite sessions for students

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Reservoir West Primary School. We will take appropriate measures, consistent

with our Student Wellbeing and Engagement and Bullying Prevention policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students that are involved in bullying or harassing behaviour towards others will be supported to reflect upon the impacts of their behaviour on themselves and others in their school community. RWPS employs a restorative practices approach towards building, maintaining and restoring positive relationships, particularly in relation to circumstances involving interpersonal conflict and/or poor choices. The RWPS Reflection process develops skills in pro-social behaviour, negotiation, assertiveness, co-operation and effective communication whilst promoting social and emotional competencies including empathy, compassion, respect and emotional awareness.
