Welcome Back To School!

Welcome to term 3 Theircare families! We dove straight into term 3 finally finishing our under the sea display. The children worked so hard painting these amazing sea creatures, come check them out! This feature adds a beautiful pop of colour and wonder to our space, as we learnt the sea is a big wide world we may never discover the whole of it!

RWPS Theircare Feedback

Hi Theircare families, we would love to hear from you! The team at RW Theircare have made a lot of changes around here. We would appreciate some feedback on how we are doing. Anything from the environment, holiday program to communication and everything in between. We value your contribution to our service.

Child's favourite aspect of the service:

Hard copy available at service :)

Term 3 Week 1 Theme: Dinosaurs!

Term 3 week 1's theme was dinosaurs! There were many dinosaur craft fun to be had in the art room this week. We created dinosaur paper plate creations, scary dinosaur masks, played dino bingo and dinosaur colour by number! The art room has been a great addition to our learning spaces and one that we will use every afternoon moving forward. Thanks Mrs. Conte! In the art room this week the children made beautiful mosaic stain glass windows, loom bands and slime!

Winter Holiday Program

Winter Holiday Program "Time Warp" was a blast! We all had so much fun going on excursions and enjoying in house days. We investigated the next prisoner escape at Pentridge Prison! As well as, put our balance skills to the test at Ice HQ. We had lots of in house fun, celebrating the upcoming Olympics with an Olympic Challenge of our own.
