October 2025

Dear Parent/Guardian,

Reservoir West Primary School is looking forward to another great year of teaching and learning and would like to advise you of the school's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard Victorian curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs that we can offer.

Within our school this support has allowed us to

- maintain our technology infrastructure and build our banks of school devices
- subscribe to online learning and assessment sources
- provide a wide range of curriculum experiences
- provide classroom and specialist consumables
- subsidise printing costs.
- maintain and develop the school grounds
- maintain sufficient class sets of books for students to develop their reading skills
- provide hands on maths equipment
- deliver a range of sporting and PE equipment
- arrange for individual student supplies and class bulk supplies
- resource first aid for all students.

We urge parents to give strong consideration to paying the voluntary financial contributions because, without a robust response, what the school can do to enhance your child's education will be restricted.

Please find below Reservoir West Primary School's voluntary financial contributions schedule for 2026.

The 2026 Voluntary Financial Contributions schedule will be available via Compass in Term 1, 2026.

Department of Education guidelines now mandate that schools are unable to provide parents with a statement of fees. With this in mind, parents are asked to please review the recommended

voluntary financial contributions schedule below for an indication of recommended contributions for your child/ren.

For further information on the Department's [Parent Payment Policy](#), please see the overview attached.

If you have any further queries please speak with our Business Manager, Joyce Janakievski, by contacting the school office on 9478 8211.

Yours sincerely,

Rachel Corben
Principal

School Council Vice President
